Inter Faith Week 2025

Linking faiths, beliefs and communities

School learning journey

Introduction assembly:

what is interfaith week? How can we learn from each other? What are the key skills for dialogue?

What community is

What do we mean by community? What do we have in common? Who is in community, and who is left out?

How to build community

What do we all need in a community? What role does kindness play? How do faith and belief values build community?

Service and equality

Who should we help? Why is equality important? How can serving others bring us together?

Sharing in community

How does food and sharing build community in different faiths and beliefs? How is food used to celebrate and bring people together? How can we all help others?
